REAAM

GENERAL TRADING L.L.C

COMPANY PROFILE

“HEALTHY FOODS HEALTHY GENERATION”

Providing and spreading healthy food with wide choices and varieties is our mission as an innovative, dynamic, and socially responsible company.

From pure nature we provide you with everything that is healthy and natural

We offer a variety of natural food products, fresh and canned, with multiple options that meet all your kitchen needs. They are sourced from all over the world and are suitable for all types of cuisine.

WHO WE ARE ?

The company was established in the year 2014, where we work in the field of exporting foodstuffs from their natural sources. We have contacts and extensive experience in the field of exporting and negotiating food deals through our global supply chain networks. The company was established in Dubai to benefit from connectivity and ease of doing business, overseeing operations, and managing the business in many fields and industries.

Dubai is the gateway for the exchange of multiple commodities around the world, which has created great investment opportunities for us.

VISION

A HUGE COMMERCIAL SYSTEM THAT MEETS THE CONSUMER'S NEED FOR HEALTHY NATURAL FOODSTUFFS
